SPRING/SUMMER 2022

Lumen Lane Memory Care Neighborhood Thriving a Year after Expansion

It has been one year since the newly renovated and expanded Lumen Lane Neighborhood officially opened. With additional space, the residents now have designated rooms for activities and dining, eliminating the kind of confusion that can come from not knowing whether they are doing an activity or eating a meal. The space itself is well-lit and calming with neutral blue tones and high-grade flooring. The sensory room is actively used with different sensory activities in every corner, including a 100-gallon saltwater fish tank.

“When we chose the design of the new area, we were very purposeful with every design decision. Down to the kind of

chairs and color of plates they would eat off of. Each part was thoughtfully discussed and researched on best practices for memory care individuals and I was so happy with how everything turned out,” said Breanne Cavileer, executive director. “The plan was always to bring that same look and feel of the calming blue walls and wood panel flooring throughout the rest of the building gradually.”

One year later and Breanne and her team have already completed the renovation of the first floor Lumen Lane hallway and have begun updating the first floor of the assisted living side.

“There is a night-and-day difference of the Lumen Lane hallway. It feels more bright and cheery. I had a resident tell me that the artwork brought her joy and I can see every day residents stop to utilize one of the life stations and feel that sense of familiarity and productivity. I’m really proud of the space we created for them and so excited to see the updates brought to the rest of the building as well,” said Anne Messer, director of life enrichment.

Breanne said it has been an exciting journey to raise the funds and support needed for the project. She added, “Our residents and staff are loving it.”

A NOTE FROM THE
EXECUTIVE DIRECTOR

Sharing Hope, Spreading Light and Embracing Change

Dear Friends,

We've been embracing the theme of sharing hope, spreading light and embracing change this year. When we completed the renovation and expansion of the Lumen Lane Memory Care Neighborhood last May, residents whose rooms aren't in Lumen Lane were jealous! They loved the bright, calming and modern atmosphere of the area and I've been so eager to bring that same look and feel throughout the rest of the building.

Already in 2022, we've completed updating the first floor Lumen Lane hallway and have begun the updates in the assisted living side of the building. It has been so rejuvenating to see the fresh paint, new flooring, updated lighting, artwork and more. I know our residents are loving the change of scenery and fresh look.

We are embracing the much-needed facility updates while maintaining who we are at our core:

We are devoted to providing premier senior residential living and community outreach services. Through our faith-based values, we affirm the integrity of each person and encourage them on their journey of aging.

Our core will always remain our residents. In every decision, residents and their quality of life are our focus. You, our community of supporters help us fulfill our mission each and every day. That is why we are thrilled to share that our annual fundraising event will be back in person this year! Read more about our Light the Way

Gala on page 4 and stay tuned for more information. We cannot wait to celebrate with you together again.

Our staff remains vigilant in the fight against the pandemic. We hope that the virus and its variants are truly tapering off as the numbers indicate and that even more positive change can come out of 2022. Thanks for hanging in there with us. Life with a community like this is a blessing.

BEFORE

AFTER

These before and after photos show the major changes that have taken place: wallpaper was removed, holes patched, new trim installed and walls painted with a calming blue (kudos to the LOHV maintenance team for outstanding work on the walls); carpeting was removed and updated with high-grade flooring; updated room number plaques that include the name and photo of each resident were added; and, new shadow boxes designed for each resident's love and interests were added. Still to come are updated lighting fixtures to brighten up the hallways even more.

Life stations were installed that include an office-themed area, a laundry station and a nursery station to help residents feel a sense of normalcy and familiarity.

Calming and bright artwork were installed down the hallway.

Light the Way Gala to Celebrate the Mission and Ministry of the Villa

After two years of virtual event fun, we are officially back to celebrating together this year! Save the date for Friday, August 26 from 6 to 9:30 p.m. for the first annual Light the Way Gala.

The Light the Way Gala is our new annual fundraising event where we celebrate the mission and ministry of the work at Light of Hearts Villa and raise funds to support the Sister Helen T. Scasny, SC Benevolent Fund. This fund is crucial to our ministry as it supports residents who have outlived their financial resources.

The Light the Way Gala will be held in a COVID-safe environment that is fully outdoors under a large tent. This special event will include a plated dinner, open bar, auction items, raffles,

presentation of special awards and more. There will also be a rare bourbon raffle featuring hard-to-find bourbons from around the world.

Don't miss the first annual Light the Way Gala on the beautiful grounds of Saint Monica Church, just 10 minutes from Light of Hearts Villa. Invitations and details will be mailed soon — stay tuned.

WHY THIS FUNDRAISER IS SO IMPORTANT: MEDICAID SHORTFALL IN 2021: \$795,915

Benevolent care is defined as the forgiveness or discounting of monthly fees for a resident's apartment and services who have income that is not sufficient to cover the monthly fees, who have exhausted their assets/funds through no fault nor deliberate act to cause their inability to pay, and meet the approval criteria for benevolent care.

The Medicaid program is funded by state and federal governments. In many states, including Ohio, Medicaid payments are not sufficient to cover the costs of treating Medicaid beneficiaries, like some of our residents. In 2021, our Medicaid shortfall was \$795,915. Meaning, if all residents were private pay residents like most corporate for-profit care facilities, that is the amount of additional income we would see on our books.

Because of our faith-based mission, we prioritize providing this kind of benevolent care to those in need. The Sister Helen T. Scasny, SC Benevolent Fund is fully funded by grants, foundations and individual donations who help us make up this shortfall. It simply would not be possible without the help of our community.

RESIDENT SPOTLIGHT ::

Elena Bonomo Celebrates 102 Years at Monthly Birthday Bash

Elena with Bedford Mayor Stan Koci, who presented her with a proclamation from the city congratulating her on turning 102.

Bash” celebrations are held each month. “We celebrate every resident whose birthday is in that month and for special milestone birthdays, we have the mayor come in and read a proclamation and present a certificate of congratulations. It really makes each resident feel special and celebrated,” said Anne Messer, director of life enrichment.

FEELING GOOD AT 102

In March, the Light of Hearts Villa community celebrated the birthday of Elena and her 102 years of history. Elena was born on March 22, 1920, in Ponza, Italy, and immigrated to the United States when she was a teenager. Growing up, she learned how to sew and worked as a high-end dressmaker in New York City’s Garment District. She had a 40-year career in the garment industry as a professional seamstress. She met her future husband Angelo Bonomo in New York and they were married on October 31, 1948 at Our Lady of the Pity Church. He owned a pizzeria where Elena also helped out.

She took an active role in her son Robert’s education and taught herself to read, write and speak English in the process. Robert eventually went to medical school and became a doctor. When Angelo’s health began to decline in retirement, the couple moved to Cleveland to be closer to their son. Angelo passed away in 2014 at the age of 100 and Elena moved to Light of Hearts Villa not long after.

When asked about living at Light of Hearts Villa, Elena said, “I love warm afternoons on the pretty patio and activities like coloring and puzzles. Everyone is very friendly and kind.”

There’s something in the water at Light of Hearts Villa. That’s the belief that Robert Bonomo expressed after his mother Elena turned 102 on March 22. Elena has been a resident since February 2015, when she was just about to turn 95. She stays involved by participating in activities and visiting with other residents.

Part of the core of Light of Hearts Villa is to truly see each individual person for who they are, respect their history and provide premier care. “Each one of our residents has a story to share, a whole life lived. It’s so important to recognize that and honor their lives as best we can,” said Breanne Cavileer, executive director.

This is one of the reasons that “Birthday

Frequently Asked Questions

HOW DO YOU BECOME A LIGHT THE WAY LEGACY SOCIETY MEMBER?

By naming Light of Hearts Villa as a beneficiary in your estate plan or establishing a Charitable Gift Annuity (CGA) with Light of Hearts Villa:

Bequests — You make a gift from your estate to Light of Hearts Villa. Your estate may claim a tax deduction for the full amount of your charitable bequest.

Charitable Gift Annuities — A charitable gift annuity with Light of Hearts Villa is a gift that gives back. It can provide you and/or another beneficiary with stable income for life. You may also receive an immediate income tax deduction.

Charitable trusts — You designate in your will that a certain amount of money or property will be transferred to Light of Hearts Villa. Your estate receives a charitable deduction for the full, fair market value of your gift.

Life insurance — You make a gift of life insurance to Light of Hearts Villa. You may find you no longer need the financial protection of existing life insurance policies. By making Light of Hearts Villa a beneficiary of all or part of your policy would capitalize a new fund at the time of your death, and your estate would receive a charitable deduction based on the policy's current value.

Retirement assets — You name Light of Hearts Villa as the beneficiary of all or part of your retirement plan assets upon your death. Your estate avoids paying large income and estate tax bills.

HOW ARE YOU ADDED TO THE LIST?

By contacting Director of Development & Communication Amy Huntley at 440.232.1991 ext. 524 or amy.huntley@lightofheartsvilla.org or by completing an Estate Provision Intention form found on lightofheartsvilla.org and returning it to Light of Hearts Villa.

WHAT BENEFITS DO YOU RECEIVE AS A LEGACY SOCIETY MEMBER?

If you agree, your name will be published in newsletters and other publications; you will receive invitations to Light of Hearts Villa events; and, a sense of well-being knowing you are supporting your community forever.

If you have already named Light of Hearts Villa as a beneficiary in your personal planning or to become a member of the Light the Way Legacy Society, please contact Amy Huntley by calling 440.232.1991 ext. 524 or email amy.huntley@lightofheartsvilla.org.

We encourage you to consult with an estate planning professional or financial advisor to evaluate tax and financing planning strategies.

The proper beneficiary designation is:

Bruce Stewart Receives Making God's Love Visible Mission Award

The Making God's Love Visible Award is the highest honor given to a member of the staff who is nominated by their peers. The recipient strives, in the words of St. Vincent de Paul, to "make God's love visible" with their life.

Bruce Stewart has been part of the dietary team for more than 15 years and is described by coworkers as humble, hard-working, kind, calm, compassionate, driven, diligent, focused and a gentle presence.

Q: How did you feel when you learned you were the recipient of the award this year?

A: I was really surprised because I didn't see it coming. I was also very grateful and excited to be recognized by the rest of our staff. We have such outstanding people working here, it could have gone to anyone so I felt very appreciated. It's an honor.

Q: What is your favorite part about working at Light of Hearts Villa and why?

A: My favorite part about working here is being surrounded by such amazing people and being able to bring smiles and joy to the residents. I truly enjoy helping and serving anyway that I can.

Q: Are there any special gifts or blessings you have learned from the residents here over your 15 years?

A: One special gift would be the gift of gratitude and learning to take nothing for granted. I've learned to appreciate every moment even in times of challenge and change.

Bruce was presented with the award plaque at the annual Missioning In-Service event in January, which is held to recognize the Villa's dedicated staff and volunteers. The event includes the "anointing of hands," an ancient rite recognizing those with special roles in the community. The words of anointing are: "May this oil of gladness strengthen and sustain you as you make God's love visible."

"Bruce is reliable, efficient and friendly. He quite literally cleaned the floor of the activity center the morning of the in-service with no idea that he would be the one we were going to honor. He emits such a humble, kind and gentle presence and I was honored to present him this award." said Breanne Cavileer, executive director. ♦

"Bruce is one of those team members we feel blessed to have each and every day." —Breanne Cavileer

Recurring Giving: Automatic Monthly Donations

FINANCIAL EFFECT IS SPREAD ACROSS THE YEAR WHILE INCREASING OVERALL IMPACT

Monthly giving is a simple but effective way to increase your overall impact through a planned, recurring donation. Much like paying any household expense automatically, you can easily set up a monthly donation to Light of Hearts Villa through our secure donation page.

A monthly recurring donation allows you to spread the financial impact of giving across the entire year, reducing the immediate financial effect. You end up contributing more on an annual basis, but the distribution of payments across the year makes the commitment more manageable.

For example, you may donate \$100 per year to support the residents here at Light of Hearts Villa. Or maybe, like many of us, you want to give more but writing that \$100 check just isn't feasible for you right now. But maybe a \$10 gift is...

\$10

increases your impact over a year to \$120

\$20

increases your impact over a year to \$240

\$30

increases your impact over a year to \$360

So on and so on....

This kind of annual giving will elevate our fundraising to help us provide even more important support to our residents in need and as residents continue to live longer, more of them are outgrowing their financial resources. Our Sister Helen T. Scasny, SC Benevolent Fund is needed more now than it ever has been before.

Your monthly donation—combined with the generosity of many donors just like you—gives us one more way to responsibly budget and plan our Benevolent Fund giving around more predictable revenue; a plus as we continue to navigate the hardships brought on by the pandemic.

“I decided to give to Light of Hearts Villa because of my passion for senior care and knowing the importance of good quality care, and I see that in Light of Hearts Villa. Making my gift a monthly one allowed me to budget properly. I understand every month that is the set amount for my giving and I can just manage my giving so much easier. I felt like when I was just giving occasionally, I would find other things to spend my money on that really weren't serving me in ways I was desiring. Giving monthly makes a difference and I know that.”

CAREGIVER SPOTLIGHTS ::

What It Means to Caregivers to Work at Light of Hearts Villa

Light of Hearts Villa has the honor of employing many dedicated and caring individuals. We asked a few of our team members to tell us more about themselves and what it means to them to work for Light of Hearts Villa.

KATHY ORCHARD

Life Enrichment Activities Assistant

Before Light of Hearts Villa was a senior living community, it was an all-girls Catholic high school known as Lumen Cordium High School. Kathy is a proud 1982 graduate!

Kathy said what she appreciates most is working directly with residents each and every day, making their days more enjoyable and carefree. “I get to teach, guide or console and pray with them, depending on their day. I am here to put a smile on their faces,” said Kathy.

Kathy has been at the Villa for nearly two years and has led multiple activities for residents. She said their favorites appear to be bingo, live entertainment, field trips in the van and hanging out on the patio.

In her spare time, Kathy likes to travel to tropical locations, enjoys secondhand shopping and garage sales, planning parties and events for family and friends, and collecting decorative flamingos.

“What I love most about the Villa is that the staff here is so friendly and helpful, it’s a very clean facility and we have many options each day for the residents to participate in.” — Kathy

“There are so many residents, alive and passed on, who are attached to my spirit. I have so many memories and continue to make more. Some of my favorites are when I dance and act silly with a resident and they laugh and join in. Always such special bonding moments.” — Donna

DONNA PENDLETON

Caregiver, Wellness Team

Through more than nine years of service to the Light of Hearts Villa mission as a resident caregiver, Donna Pendleton said she is “committed daily to be the best I can for each resident I serve.” In that time, Donna has formed special relationships with many of the residents she cares for.

Being a resident caregiver, especially amidst the times of the pandemic, Donna was no exception to the level of burnout people in the health care world were feeling. “Burnout is a natural occurrence, but when we keep working as a team in a good flow, it reduces the fatigue, which is why I’m grateful to be a part of this team.”

Donna finds balance in her life outside of work by attending church frequently, prayer and spending time with her husband and children.

SHARON WILSON

Front Desk Receptionist

Sharon is a staple at Light of Hearts Villa as the friendly voice heard on the phone or her welcoming spirit she offers to all who enter. Sharon started at Light of Hearts Villa more than a year ago and said what she appreciates the most is “the welcoming atmosphere.”

In addition to taking care of all things front-desk related at the Villa, Sharon enjoys planting flowers, doing yard work and spending quality time with her dog TJ.

“I just love interacting with our visitors, our residents, our team members. Everyone is kind, respectful, understanding and so very loving. How everyone interacts with each other says a lot about this organization, truly.” — Sharon

LEAVING A LEGACY AT LIGHT OF HEARTS VILLA ::

Naming Opportunities & Art Sponsors

As a building ages, facility upgrades are expected. With our building coming up on its 60th year of existence, we've begun the much-needed updates below to keep our facility feeling new, bright and welcoming.

- Updating the flooring to a higher grade, easier to clean linoleum flooring.
- Updating lighting fixtures to brighten up the hallways.
- Beautiful art pieces specifically hand-picked for each hallway.
- Updating the signage around our community to match our branding and look and feel.

Because Light of Hearts Villa is a nonprofit, 501c3 charitable organization, there are many ways to leave a lasting legacy and help us keep our campus beautiful for years and years to come. There are even opportunities to recognize yourself, your family, a loved one or your organization.

There are several locations around the Villa that have been identified as naming opportunities as well as beautiful art pieces you can choose to sponsor. You may honor a loved one, a friend or a religious person who has made a difference in your life. You may take advantage of these opportunities through an outright gift or even a gift that is pledged over five years.

All naming sites will be acknowledged with a special plaque outside of the sponsored room or under the special piece of art you choose. The legacy you choose will last forever in the Light of Hearts Villa community. Your sponsorship of a naming opportunity will directly help us update our facility with flooring, fresh paint, lighting, signage and so much more. Our staff at Light of Hearts Villa will happily guide you in selecting a location for meaningful visual recognition that will both inspire other donors while leaving a lasting legacy.

Art Sponsor Naming Opportunities

Each piece of artwork around our building as we continue these upgrades are specifically hand-picked for each area to bring joy, light and calming feelings to our residents and team members.

Each piece of art is available to be sponsored for \$500 and you can choose what the naming plaque will say for that piece of art you choose. It can be dedicated to a team member, in honor or in memory of a loved one or simply a quote you find meaningful.

We know not everyone is able to leave a naming legacy of thousands of dollars. This is an affordable legacy opportunity that will not only help offset the costs of some of these beautiful upgrades, but will leave a permanent naming opportunity for you and your loved ones.

NEWS *and* NOTES

Night of Hearts Campaign Reaches Fundraising Goal

The Night of Hearts fundraising campaign launched in February 2022 to raise funds to install LED color changing lights around the exterior of the building. We are happy to announce the campaign was a success and the money has been raised! The lighting will be installed in early June. Once illuminated, the unique features of the building will sparkle, even in the dark. Thank you to all who shared the campaign, contributed and encouraged this idea!

Staff Education: Alzheimer's Disease and Dementia Care Seminar

Multiple team members participated in this special seminar in April led by Life Enrichment Director Anne Messer, who is certified to train and teach Certified Dementia Practitioners. The course was open to any team member who wished to participate to continue to enhance the care provided to memory care residents. The seminar identifies and trains over 20 different modules around Alzheimer's and dementia, including diagnosis, treatment, communication and repetitive behavior.

Activity Highlights

The Light of Hearts Villa Life Enrichment Team is truly some of the best around. Following are just a few activity highlights that have happened so far in 2022.

◆ ◆ ◆

Arts + Crafts

Crafting offers numerous benefits for older people. Being engaged in hands-on activities can improve motor skills, strengthen social connections, reduce stress and alleviate anxiety. Arts and craft time is a regular part of residents' lives. So much creativity!

Olympics Week

While the Winter Olympics were happening in China, they were also happening at Light of Hearts Villa throughout February. Residents participated in activities like curling, ice sliding, trivia, arts and crafts and more! There was even an opening torch ceremony and special closing celebration.

St. Patrick's Day Celebration

Mint chocolate chip milkshakes, special green-themed crafts and activities, trivia and more made the St. Patrick's Day party a fun one!
